À la Villa Méditerranée à Marseille

Penser la Méditerranée du futur est à la fois un défi et une chance.

Les enjeux d'aujourd'hui et de demain se succèdent parfois sous nos yeux sans que nous ne prenions le temps suffisant pour dégager une perspective, un souffle, une vision.

L'évènement « Méditerranée du futur » est un espace de rencontres ouvert aux acteurs publics et privés reconnus sur le plan euro-méditerranéen et international pour leur contribution à la définition et la mise en œuvre de solutions innovantes et ambitieuses en Méditerranée.

Pour sa première édition, la Région Provence-Alpes-Côte d'Azur aura le plaisir d'accueillir :

**Jean-Yves LE DRIAN**, Ministre de l'Europe et des Affaires étrangères

**Fathallah SIJILMASSI**, Secrétaire Général de l'Union pour la Méditerranée

Ainsi que de hauts représentants de l'Union Européenne et des gouvernements des pays méditerranéens.

Je vous invite d'ores et déjà à réserver cette date dans votre agenda. L'ordre du jour et les informations pratiques vous seront transmises au cours du mois d'octobre.

On Tuesday the 21<sup>st</sup> of November, 2017, from 9.30 am to 5.30 pm

Imagining the Mediterranean of the future is both a challenge and an opportunity.

Current and future issues succeed one another as we watch on, without our taking the time to develop a common perspective, inspiration or vision.

"The Mediterranean of the future" is a forum-type event, aimed at bringing together public and private stakeholders, recognised at the Euro-Mediterranean and international level for their contribution to defining and implementing innovative and ambitious solutions for the Mediterranean.

For the first edition, Provence-Alpes-Côte d'Azur Regional Council is honoured to welcome:

**Jean-Yves LE DRIAN**, Minister for European and Foreign Affairs,  
**Fathallah SIJILMASSI**, General Secretary of the Union for the Mediterranean.

As well as many senior officials from the European Union and the governments of Mediterranean countries.  
Please save the date in your diary. Agenda and practical information to follow during the month of October.
